

## **Missile Defense Agency 2022 Industry Innovation Summit**

The Missile Defense Agency (MDA) is pleased to announce MDA's 2022 Industry Innovation Summit.

The 2022 Innovation Summit is a two-part event in a CLASSIFIED, US ONLY environment.

- Part I will include a series of presentations to communicate MDA's strategic vision and the Agency's science and technology efforts, gaps, and needs.
- Part II is an opportunity for one-on-one sessions.

THIS IS AN INFORMATION EXCHANGE ONLY. THIS IS NOT A COMMITMENT FOR AWARD. MDA WILL ACCEPT NO PROPOSALS AS PART OF THIS EVENT. Should MDA deem it necessary, the Agency will solicit for proposals under separate cover.

**Location:** Redstone Arsenal, Huntsville Alabama

**Dates:**

- Part I: February 15-17, 2022 (dates subject to change)
- Part II: To be announced at a later date

**Registration:**

- Due to Federal COVID-19 policies, in-person attendance is limited to 150 participants per day. In order to accommodate a maximum number of attendees, Part I will be repeated over several days. Therefore, attendees need only register for one date.
- Attendees will be required to abide by the Federal COVID-19 policy requirements that are in place at the time of the event.
- Attendees are required to submit RSVPs to [mdaindustryinnovationsummit2022@mda.mil](mailto:mdaindustryinnovationsummit2022@mda.mil) by January 21, 2022. Please include name(s) of attendee(s), organization/business unit name, attendee e-mail address and phone number.
- Due to high interest in this event, companies should prioritize the list of attendees, as it may be necessary to limit the number of attendees per company. Please only register for one date. Registration will be processed on a first-come-first-served basis.
- Attendees without a valid military ID or Common Access Card (CAC), **AND** access to MDA will be required to submit a Visit Access Request (VAR).
- Registration confirmation and VAR information will be provided via return e-mail after registration is received.
